

pulse **G2**

Canoe

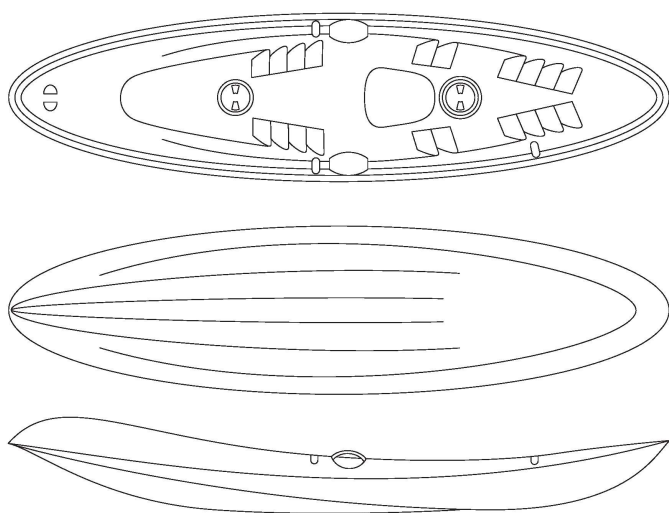

The **PULSE C2** is an all-round canoe ideal for exploring lakes, rivers and coastlines. Designed for stability comfort and security this boat will take you anywhere in all safety and ease. The multi layered fibreglass construction with reinforced assembly is rigid and durable for hardy use making it perfect for rental environments for water sports clubs or hotels. It is a 2 person canoe with an extra space in the middle to accomodate a child. The boat comes equiped with two double sided paddle. Integrated footrests at different lengths ensuring that people of all ages and sizes can comfortably position their feet. A reinforced loophole at the front of the boat lets you tie the boat up or pull the canoe on the beach. The PULSE C2 is light weight and can easily be carried by two people or pulled up onto the beach by a single person. The PULSE C2 will last you for a lifetime of fun. Enjoy!
